Dear John,

On behalf of Operation Homefront and the thousands of military families, service members and wounded warriors we serve, I want to personally **thank you for your generous and thoughtful gift**. All of us at Operation Homefront appreciate your support and patriotism and above all, that you recognize some of the hardships military families endure each day.

We are extremely proud of the fact that Operation Homefront has an audited record where we can demonstrate that **\$0.95 of each dollar we raise goes to the intended recipients** — virtually unheard of with most nonprofit organizations. To date, Operation Homefront has provided emergency assistance to **more than 45,000 military families and personnel nationwide**. At any given time, **nearly 500,000 U.S. Armed Forces personnel are deployed in more than 140 countries**.

Please be aware that IRS regulations prohibit charitable organizations from assigning a monetary value to in-kind donations. For your convenience, you may list the estimated value of your gift in the space below for your records.

Thank you, again, for partnering with us on this important project.

Sincerely,

Amy Palmer
Chief Operating Officer
